I Permanent Vacancies

1 According to the latest Civil List Corrected up to 1st January 1933 (foot-note on page 11), the strength of the Civil Service cadre — Senior Asst. & Asst. Com^rs is as shown below : —

G.R.S :	4
Revenue :	27
Survey :	2
Excise :	3
Police :	5 + 3 temp.
Accounts :	4
Judicial :	8
	53 + 3 temp
Reserve :	12
Total :	65 + 3 temp — of which are Senior Asst. Com^rs 10

N) Since then orders have been passed fixing the Police cadre at 7 Civil Service + 6 non-Civil Service, until further orders. This may be taken as raising the permanent Scale of the Civil Service by 2. As against this, one Civil service Officer (Mr. G. Rudrappa) has been released from the Excise Dept & has to be absorbed into the general line, and this may be taken perhaps as reducing the Scale by one. With these modifications, the cadre will stand as indicated below : —

(*) It may be noted that even against the reduced scale of 2, only one officer is now actually in the Excise Dept, and a permanent N-C-S officer is counted against the other C.S. vacancy.

y
e Civil list ~~[illegible]~~ shows that there are ow (10 + 54) = 64 permanent officers and ere two (*) permanent vacancies appear to be available for filling up. (These may be counted to be available from 1.8.32 Vice Mr. R.A. Narasimha Iyengar, & from 9.12.32 Vice Mr. G. Madhava Rao).

(*) If one vacancy in the Excise Dept. is deemed to be not available for permanent arrts, in view of above, then only one permanent vacancy can be filled up.

II Provisionally permanent or S.P.T. Vacancies

G

If A statement showing the permanent officers employed on other duty outside the cadre is put up for reference. It is seen that leaving out 3 vacancies which admit of only acting arrangements, P.P or S.P.T. arrangements seem to be admissible in as many as 14 vacancies. The Comptroller has ~~[illegible]~~ held that ~~[illegible]~~ P.P vacancies must be set apart against the Reserve and in

Serial No.

has however stated on a previous occasion that no p.p. or s.p.t. arrangement can be made in the Civil Service cadre, vice Mr. M.A. Srinivasan on Omr duty as s.p.t. arrangement has been made in the non-civil service Cadre of Account Dept. in the vacancy. This reduces the number of P.P. vacancies available to 13. If 12 of these are to be counted against the reserve in the C.S. cadre, only one P.P. arrangement can actually be made. If the two P.P. Officers now in the cadre are confirmed in the permanent vacancies referred to above, one more acting officer can be made P.P.

9 In this connection, reference is invited to para 34 of office notes. C.B. Collection 2-32-1to3 put up herewith, wherein the question was raised as to whether it is necessary to set-apart P.P vacancies against the reserve. The reserve was constituted to meet the deficit on account of leave, deputation etc. and if there appear to be no objection to Count acting vacancies also against the reserve in which case some more acting Officers can be made p.p. As even a p.p officer can be reverted to a lower tenure if by chance

any vacancies cease, ~~there will be~~ no contingency ~~of an officer~~ could arise of a reservist being without a charge. ~~If appointed~~ One other difficulty of the present arrangement ~~of posting officers~~ is that no particular vacancy can be earmarked for an officer promoted to P.P and no retrospective effect can therefore be given.

If approved, the Audit office ~~should be~~ may be consulted about the point raised above, and the total number of permanent and provisionally permanent (or S.p.t.) vacancies available for filling up may be definitely ascertained.

9 As against this there are 64 permanent officers in the Civil Service Cadre and one of the Permanent Non-Civil service officers in the Excise Department is counted against a Civil Service appointment. Thus there is one permanent vacancy available from 9-12-32 the date of confirmation of Mr. G. Vacancies in the Cadre of Assistant Commissioners

File No. of 193 . . General and Revenue Secretariat

Addressing the Comptroller has anticipated that there is only one permanent vacancy available from 9-12-1932.

The next officer eligible for confirmation is Mr T. B. Mallaradhya.

The Audit Office note is silent on the "p.p" vacancies. It is for orders as to whether the Comptroller may be addressed again in the matter.

Submitted

CSR 3/3

The Audit office were requested to note on the following points :—

(1) No. of permanent vacancies available
(2) No. of p.p. or S.P.T Vacancies available
(3) whether it is necessary to set apart against the reserve only P.P Vacancies and whether even acting vacancies may not be so counted, and p.p. arrangements ordered in the remainder

Re (1) they say that one permanent vacancy is available from 9.12.32. Re: (2) they have not specifically stated how many vacancies may be filled up p.p. or S.P.T, but have merely put up a statement of men on the Duty. Re: (3), their note is silent. It may perhaps be assumed that the Audit office have no objection to P.P or S.P.T. arrts. being made in any of the vacancies vice men on the duty, provided 12 men are always available against the reserve.

Serial No.

14 Mr. J.B. Mallaradhya, Assistant Commissioner, P.P. may be confirmed in the vacancy certified to be available from 9th December 1932.

15 As regards the question of promoting some of the acting officers to Sub Pro Tem or Provisionally Permanent tenure, I do not think it is necessary that all Provisionally Permanent vacancies available on account of the permanent officers being on other duty should be first counted against the reserve of 12 provided in the Civil Service cadre. The reserve is meant to cover all contingencies, such as leave vacancies etc., and as such it would be sufficient if it is ensured that there will always be 12 vacancies whether acting or P.P. to set off against the reserve. The statement of permanent men on other duty furnished by the Comptroller shows that there are altogether 20 vacancies, in 12 of which P.P. vacancies appear to be admissible. I am of opinion that as a general understanding some of the P.P. vacancies available - up to about half a dozen - may be permitted to be utilised to promote acting men who have put in at least six months as such and are otherwise qualified. If this view meets with approval, I beg to suggest that the following acting officers may be promoted as Provisionally Permanent:-

1.	Mr. George Matthan.	Acting from	13-8-1931.
2.	" K.Anantapadmanabhiah.	"	28-9-1931.
3.	" T.Venkatarangan.	"	28-9-1931.
4.	" Abdul Razack.	"	25-8-1932.(Also for broken periods previously)

16 Mr. H. Niranjanraj Urs may also be promoted to P.P. in case he passes the Civil Examination at the next

18 The view of the Audit department is contained in para 29 of the Notes in C.B. file No. 2-32-3 and the proposal is to depart from that view. If this should be considered, the further opinion of the Audit department and the procedure followed in -- British India will have to be ascertained.

19 According to the Economy order, all appointments should be only on an officiating basis during the period when the Economy order is in force.

20 Though there seems to be some force in the arguments addued in the file, per contra, it can also be urged that, when twelve extra permanent appointments have been created with the object of providing permanent places to officers who had been acting for long periods, against prospective leave and deputation vacancies which are not of a substantive (but only temporary) nature, it is necessary that ~~there~~ provisionally permanent arrangements should be allowed only when there are more than 12 vacancies admitting such arrangements.

1/4.

21 The point raised in this file, as to whether all the best vacancies should be necessarily counted against the reserve may be further examined in consultation with the Audit Office, as suggested by the Financial Secy.

22 Meanwhile there is a permanent vacancy available in the cadre from 9/12/32, in which Mr Mallavarapu (who is the senior among the P.P Asst Coniers)

may be confirmed, after consulting the Rev commr."

23 It is stated that a sub-pro tem arrangement has been made among non civil service Asst comptrollers, as a result of the deputation of Mr M. A. Srinivasan for other duty in R. R. S. mills. This does not appear to be correct, as Mr Srinivasan belongs to the civil service and has no lien on any post in the Accnt Dept. His deputation should cause the creation of P. P vacancy available for acting Asst comrs. This point may also be examined along with the question referred to in para 21

FINANCIAL SECRETARIAT,

No. Fl 5666 / C-7.

Dated, Bangalore, 20th April 1933. 21

From

S. SHAMANNA, Esq., B. A.

Financial Secretary to the Government of His Highness the Maharaja of Mysore.

To

The Comptroller to Government,

Bangalore.

Sir,

I am directed to invite reference to G.O.No. 757-807 C.B. 210-23-1 dated 22nd September 1924 and G.O.No.2417-60 C.B. 79-27-1 dated 27th September 1927 sanctioning the appointment of twelve reservists in the Assistant Commissioners cadre, and also to your Unofficial Note No. 32 G.A.D. dated 31st July 1931 stating that twelve provisionally permanent vacancies have by preference to be taken against the 12 places of Reservists and only the number of vacancies in excess thereof can be allowed to be filled up.

In this connection, a doubt is felt as to whether the provisionally permanent vacancies alone should be kept vacant and whether it is not sufficient if twelve vacancies of whatever nature are kept unfilled up, and in any case whether some at least of the provisionally permanent vacancies cannot be permitted to be filled up. I am to request you to be so good as to consider the question and intimate your views in the matter and also to ascertain and intimate the procedure followed in Madras in regard to the filling in of such vacancies in cadres including reservists.

I have the honour to be,
Sir,
Your most obedient servant,

M Shamanna

for Financial Secretary to Government.
